

ArtMakers – Frequent Questions (FAQ's)

The Northern Devon Connection

Why call it northern Devon?

North Devon DC is a local authority and Artmakers supports artist and makers in Torrridge DC as well, hence northern Devon.

Whether its northern Devon or just north Devon – this is ArtMakers home.

Why is the Sales Membership restricted to just northern Devon?

When we talked to local artists in late 2020 and early 2021 (See Articles for details) it is clear that this area is home to artists and makers of great talent clustered in a rural/coastal part of Britain where access to people who love art can be difficult.

We believe that ArtMakers can make a difference but as we are a small group of founders we believe it is essential that we start out with our own small community before any attempt is made to serve a larger group of artists and makers in the UK.

Can I sign up for the Support Membership if I don't live or work in North Devon or Torrridge?:

Yes. Anyone can sign-up to our Support Services – the more the better

Will ArtMakers always work just with Artists and Makers from North Devon and Torrridge?

We would love to expand our work in the future but right now our aim is to broadcast loud and clear that the artists and makers of northern Devon create art that is equal in professionalism and quality to anywhere in the world!
